Formerly Quarrington Hill News

Issue No.1

APRIL 2012

**Village Partnership Update.** A new committee took over the running of the Village Partnership at the end of last year. The Village Partnership was originally set up to carry out the wishes of residents as highlighted in the Parish Plan as it can access the voluntary funding which is not available to Parish Councils. Last year, residents contributed responses to a questionnaire for a new Parish Plan, and within the next few weeks there will be presentation and consultation session of the action plan in the community centre.

We are open and transparent in all our actions and decisions. We will be accountable to you, the residents of Quarrington Hill. Overleaf is the notice of the forthcoming Annual General Meeting of the Partnership. This is an opportunity for all of us to get more involved and have more say and involvement in improving our village.

You are most welcome to attend the AGM even though you may not wish to serve on the management committee.

## COMMUNITY CENTRE

### GOOD NEWS

Durham County Council has now completed its Community Buildings Review and has decided that Quarrington Hill community centre is one of only 36 community buildings which will remain open and in which investment will be made. The management committee will shortly be meeting with Durham County Council to discuss future plans.
