

Parish Plan 2011-2016 A New Year – A New Plan

An Invitation to the first Consultation Event on Saturday 5th March 2011 at Coxhoe Village Hall

The leaflet recently delivered to all households explained that work has started on the second Parish Plan for our village.

The Plan needs to be based on your issues and priorities.

To do that we need to know

- what are your aspirations for the future of the village?
- what do you feel are the issues and priorities?
- How do you feel these issues could be tackled and by who?

The outcomes of this event will help form the basis of a household questionnaire which will be delivered to all households and businesses.

Separate events will be held to help to engage with young people.

The consultation event will include:

- a display showing the achievements of Parish Plan 1
- the opportunity to ask questions/discuss/highlight areas of concern

Light refreshments will be available

Saturday 5th March 2011
