

Delivering Quality Services to
Coxhoe & Quarrington Hill

Coxhoe Parish Council - Parish Plan 2004 -2010

Final Progress Report January 2011

Delivering Quality Services to
Coxhoe & Quarrington Hill

Coxhoe Parish Council Parish Plan 2004 -2010 Progress Report January 2011

During 2004 the Parish Council worked with the village partnerships and other partners to produce a Parish Plan for the years 2004 to 2010. This included Community Appraisals for the villages of Coxhoe and Quarrington Hill. The plan was approved by Coxhoe Parish Council at its special meeting on 22nd February 2005. The plan was a genuine attempt by the Parish Council and working groups from Coxhoe and Quarrington Hill to inspire the community to develop in the way residents had requested through community consultation.

The Parish Plan included a detailed action plan for both villages. This document is a final progress report against the agreed actions.

The review of the Parish Plan commenced in October 2010.

**Coxhoe Parish Council - Parish Plan 2004-2010
Coxhoe Action Plan Progress - January 2011**

Progress Key **GREEN** – Action completed **Amber** - Work in Progress **Red** – Not achieved

Issues are in the order identified by the community in the Parish Plan Action Plan 2004-2010

Planned action 2005	How it will be tackled	Action taken	Responsibility	Overall Progress
Traffic and Road Safety				
Speed Control – North, South, East and West	Liaise with Durham County Council and police	Liaison ongoing	Parish /County Council	G
	Periodic use of flashing speed indicators	Speed bumps in place Speed visors in place	Parish/County Council	G
Eliminate main village danger spots	Monitor present use of mini-roundabout and traffic lights at crossroad and improve usage	Monitoring continues	Parish /County Council	A
Improve Parking	Monitor and eliminate present illegal parking	Bollards erected at Roslyn Mews PCSOs regularly monitoring the area around the chemists.	Parish / County Councillors / Police	A
	Provide additional parking near doctors and village centre	In discussion re combining Village Hall and Co-op car parks. Additional parking for new surgery was to be included in plans for new building which has been delayed for a further year.	Parish/County Council/ PCT	A
Improve provision for pedestrians crossing the main roads	Liaise with County Council to determine present problems. Search for adequate solutions through the provision of additional pedestrian crossing points.	More crossing points have been created as part of the traffic calming scheme. Green Man pedestrian crossing facility introduced.	Parish/County Council	G
Reduce volume of traffic through the village	Liaise with the Police and County Council to provide alternative signing / village calming measures to ensure more use is made of the by-pass Upgrade road from old railway crossing to bottom of Stocks Bank to highway standard	Village calming measures in place. New link road opened. Durham County Council Highways Department rejected proposals on cost basis.	Parish/County Council	A

Planned action 2005	How it will be tackled	Action taken	Responsibility	Overall Progress
Crime and Community Safety				
More community policing	Make contact with police and encourage/seek a dedicated resource to patrol with a focus on the front street	Improved patrols	Parish Council/Police	G
Ensuring people feel safe and secure in the village centre	Improve the area around the church by establishing ownership of footpath through churchyard. Look to add more lighting dependent on ownership. Illuminate church making it a feature in the village and improving lighting.	Improvements made via Heritage and Living Churchyard project	Partnership/ Parish Council/County Council	G
	Improve the area around the Village Hall and Co-op by: Replacing floodlighting to village hall car park Repair light outside of Co-op (now inoperable). CCTV options to be considered.	Lighting in place as part of war memorial enhancement. Being considered as part of front street lighting improvements Discussions are ongoing on CCTV	Parish Council/Partnership Partnership/ Parish Council/County Council	A
Improve the lighting in Coxhoe Front Street	Modify lighting levels to adoptable standards	new lighting columns now installed	County Council	G
Extend Neighbourhood Watch throughout the whole village	Set up and advertise Community meeting.	Some groups in the community made contact. We do not know what progress has been made	Partnership/Community	A
Eliminate nuisance/danger from motorbikes and horses	Encourage lines of communication for reporting incidents	Included in newsletter , reports have been made and dealt with by police. Warnings have been issues and some bikes have been seized by the Police.	Community/Parish Council/Police	G

Planned action 2005	How it will be tackled	Action taken	Responsibility	Overall Progress
Environment				
Improve problems with animal fouling	Publicise leaflets and identify health risks in newsletters	Included in newsletter	Parish Council/Partnership	G
	Penalties and dog wardens	Particular problem areas highlighted to Neighbourhood Warden and County Scrutiny Committee. Dog warden patrols improved	Parish/County Council	G
	Provide more dog bins strategically placed – not plastic?	Lots of ugly dog bins around the village now.	Parish /County councils	G
Reducing litter and improving cleanliness	Publicity Litter pick day More bins located in key areas Increase visits by street cleaners / bin emptiers, remove chewing gum.	Included in newsletter Arranged for County Council to provide additional litter bin in Churchyard and to carry out litter picking. Position improved.	Parish/County Council	G
Increase frequency of grass cutting /quality of grass cutting	Liaise with County Council to improve provision	Grass cutting has improved.	Parish/County Council	G
Provide a more green and floral aspect to villages – flower beds, baskets, trees	Identify appropriate locations Seek approvals Determine funding sources Seek involvement with Village in Bloom	Planters placed in the village centre and at Coxhoe Primary school Trees and bulbs planted in various places Parish Council has conducted value for money service review which has improved displays at less cost.	Partnership/Parish Council	G
Regenerate the front street properties	Advertise the imminent approach of the Parish Council regarding improvement of properties	Regeneration of Front street properties not progressed. Publicised in Coxhoe Chronicle. Raised with Planners and improvements have been made.	Parish/County Council/Businesses	G
	Write to owners of properties and ask them to improve properties	Discussions held with Planning Enforcement Officers regarding old cinema and Commercial Road East and are pursuing improvements and improvement undertaken to some properties.	County/Parish	A
	Walk the streets	Multi-agency walkabout undertaken March 2010	Parish/County Council/Police/Partnership	G

Planned action 2005	How it will be tackled	Action taken	Responsibility	Overall Progress
Provide more public seating in the villages	Request via village newsletters for possible / preferred locations	More public seating provided More will be introduced with the village green upgrade	Parish Council	G
Improve entry signs to villages	By three stones, or similar, and two standard signs	4 Signs installed at entrances to the village	Partnership	G
Improve the Streetscape of village thoroughfares Improve railings at Coxhoe WMC. Footpath improvements Better street cleaning Additional floral/seating areas	Introduction of an architect with an overall plan for the village. Explore Durham County Council long-term plans. Explore avenues of funding (traffic corridors) Arrange visits to upgraded villages. Arrange visits to upgraded villages.	Street scene improvement scheme completed from traffic lights to St. Mary's Church. Lack of complaints re street cleaning shows improvement Additional floral/seating areas are being addressed.	Parish/County Council/Partnership	G
Improve central green belt in Coxhoe village through appropriate landscaping	Determine the views of the people via the community newsletter	Plans for the southern green were subject to consultation and Village Green proposals will be considered under Parish Plan 2	Parish / County Council / Partnership	A
Consider possibilities for improvement to access to Basic Cottages/Foundry Row, Coxhoe	Evaluate present access and obtain costing for improvement.	Access will be improved via the new housing development	Parish /County Council	G
Make people aware of the varied sizes of green recycling boxes (with lids) available	Liaise with County Council to circulate leaflets or utilise community newsletters	Included in newsletter	Parish Council/Partnership	G

Planned action 2005	How it will be tackled	Action taken	Responsibility	Overall Progress
To eliminate concerns from neighbouring communities of the impact of the Refuse Tip – Flies, Smell, Rats, Road cleanliness	<p>Write to Premier Waste and ask what current measures they take to address these issues</p> <p>Find out if there are any natural ways to attract birds which eat flies.</p> <p>Publicise Liaison meetings.</p>	Liaison with landfill operators has led to significant reductions in the incidences and complaints. The Premier Waste Liaison Group, in which local residents participate, has addressed the problems; with the fly problem being pretty well eliminated to extent when complaint arises it is possible to assess whether it even originates from tip; hawk used intermittently to deal with other birds; diversion of lorries through QH to and from tip had several benefits; Front Street safer without lorries, particularly for crossing road, noise levels reduced, smells from loads gone, air cleaner and quality of life improved.	Parish Council/Partnership	G

Health and Social Care

Improve access to adequate healthcare facilities: Doctors surgery Dentist , Clinic Chemist	Discussions with Primary Care Trust, Coxhoe Medical Practice	<p>Plans for new Surgery are in progress but delayed till next year</p> <p>Dentist Surgery Improved</p>	PCT/ Partnership/Parish Council	A
---	--	---	---------------------------------	----------

Employment

To provide more small business and industrial developments in and around Coxhoe	Parish Council to arrange a meeting with Durham County Council.	Small area for industrial units was initially in Hellens' plans but they are now proposing housing.	Parish/County Council	R
To provide better information regarding jobs and training	Parish Council to meet with Employment Agency.	No progress	Parish/County Council/Employment Agency	R

Planned action 2005	How it will be tackled	Action taken	Responsibility	Overall Progress
Public Services				
Improve quality of bus services to and from Coxhoe	Meet with County Council and bus operators to discuss unreliability, poor timetabling reinstatement of some bus routes and access problems for the elderly and pushchairs.	Liaisons with adjoining Parish Councils and bus operators to improve services. Other Parish councils but no progress with Arriva.	Parish/County Council/ Bus Operators	A
To provide better banking facilities in Coxhoe.	Parish Council to write to major banks requesting them to consider banking systems in the community.	Further cashpoint facilities installed in village	Parish/County Council	A
Housing				
To convey residents preferences for types of housing development in Coxhoe	Parish Council to meet with County Council Planning Dept. More affordable housing More 2-bedroomed bungalows	Some 'affordable housing' included in new development. Parish council has made continuous efforts to convey residents views to the local planning authority and to developers.	Parish Council	G
Community Information				
Set up a Community Website	Obtain advice and information on the setting up of a website.	Website set up and then subsequently redeveloped providing an excellent community facility	Parish/County Council	G
To improve the quality and frequency of the Coxhoe Chronicle Newsletter	Parish Council to meet with Coxhoe Community Partnership to look at present strengths and difficulties involved in producing a regular newsletter	Good communications now in place to collect news and convey to residents. Quality and content of Chronicle significantly improved with increased content from community. Provided every quarter.	Parish Council/Partnership	G
Education				
To look at the possibility of providing nursery education at Coxhoe Primary School	Parish Council to meet with school governors with a view to contacting the L.E.A. to provide a nursery.	Has not been progressed to date.	Parish/County Council	R

Planned action 2005	How it will be tackled	Action taken	Responsibility	Overall Progress
To make provision at Coxhoe Primary School for all children resident in the village whose parents request it	Parish Council to request meeting with school governors and the L.E.A. with a view to discussion of the issue.	Additional classroom provision is being built and will be available from September 2011. More may need to be done to cope with potential population increases due to possible significant new building schemes in Coxhoe.	School/Parish/County Council	A
To provide more vocational courses in Coxhoe	Parish Council to determine the need for extra vocational courses via a questionnaire in the village newsletter.	IT course commenced after Easter 2010 but not sustained	Parish/County Council	A
Young people				
Development of a consultation system with Young People	Representatives of Parish Council to meet with groups of young people at Coxhoe Youth Room 3 times per year to discuss their needs.	Attempts have been made through Coxhoe youth Room Partnership but professional youth worker support needed to progress.	Parish Council/Partnership	A
Development of activities for young people	Meet with representatives from organisations who can develop activities	Youth room sustained, activities have improved but lack of volunteers has resulted in junior youth sessions ceasing.	Parish/County Council/Community	A
Development of activities for children	Meet with representatives from organisations who can develop activities and members of the community who are interested	Coxhoe United now established. Children's Disco held by Coxhoe Club, activities available through Coxhoe Village Hall and Leisure Centre	Coxhoe United	G
Increasing hours of Youth Room	Meet with representatives from organisations who can develop activities	Friday Night activities at Coxhoe Leisure Centre improved. Two sessions held on Friday night. Extra session on Saturday was being held for a short time but now ceased.	Youth Room Partnership/ County Council	A
Improvement of village environment	Involve young people in litter picking, cleaning graffiti etc.	Young people took part in one litter picking activity through Youth Room with Parish Council donation.	Parish Council/Partnership/County Council	A
Provide more varied activities during school holidays	Discuss village needs with all partners	Some improvements	County Council	A

Planned action 2005	How it will be tackled	Action taken	Responsibility	Overall Progress
Sport, Leisure and Culture				
Develop ways of informing the public about activities in the village & how to get involved in activities in the village	Seek funding for a noticeboard at a central position e.g. the post office	Plans in place but require funding	Parish Council/Partnership	A
	Improve the What's On information in Coxhoe Chronicle	Chronicle significantly improved and developing. What On also now on parish Council web site.	Partnership/Parish Council	G
Inform public about activities in the surrounding area	Notices about times of Durham Swimming Pool / Spennymoor Swimming Pool	Links provided on What's On pages of Parish Council website	Parish/County Council	G
	Provide walks leaflets in Post Office and Leisure Centre	Walks leaflets in post office and Leisure Centre	Partnership and Parish Council	G
	Provide cycle track leaflets in Post Office and Leisure Centre	Some available from leisure Centre	County Council	G
Organisation of village events	Organise event for June/July 2005	Sensory Garden opening War Memorial Garden opening. Coxhoe united Fun day, Parish Council donations in support.	Partnership Coxhoe United	G
	Organise an annual "Switching on of Xmas Lights" event	Lights installed first event 2011	Parish Council/Partnership	G
	Support the continuation of the Banner Group event for the Durham Miners Gala		Parish Council/Partnership	A
Provide affordable activities	Discuss with Durham County Council Leisure Services	No Progress	Parish/County Council	R
Provide more and varied activities for all ages : for pre-school e.g. Arts based activities, Storytelling school aged children	Discuss with Durham County Council Leisure Services	No progress	Parish/County Council	R
More activities for elderly	Discuss with Age Concern	No progress	Parish Council/Age Concern	R
Provide more varied activities during school holidays	Discuss with Durham County Council Leisure Services	No Progress	Parish/County Council	R

Planned action 2005	How it will be tackled	Action taken	Responsibility	Overall Progress
<p>Provide more crèche facilities for adult classes</p>	<p>Discuss with Durham County Council Leisure Services the possibility of providing activities for school age children to coincide with adult activities</p>	<p>Leisure Centre holds Creche</p>	<p>County Council</p>	<p>A</p>

Publish leaflets to advertise the project and circulate them e.g. Tourist information.</p>	<p>Limestone LinX Cycle and Walk Ways Project has progressed. Stages 1,2 and 3 completed Stage 4 in progress Stage 5 funding needed</p>	<p>Partnership</p>	<p>G</p>

Coxhoe Parish Council – Parish Plan 2004-2010
Quarrington Hill Action Plan Progress – January 2011

Progress Key **GREEN** – Action completed **Amber** - Work in Progress **Red** – Not achieved

Issues are in the order identified by the community in the Parish Plan Action Plan 2004-2010

Planned action 2005	How it will be tackled	Action needed or taken	Responsibility	Overall Progress
Traffic and Road Safety				
Look at alternative road signage to reduce speed and volume of traffic through the village	Liaise with Police and Durham County Council	Speed visors installed Speed bumps and chicanes installed. Refuse tip traffic re-directed to avoid village	County/ Parish / Village Partnership	G
Reduce parking problems in front street and around the crossroads	Liaise with Police and Durham County Council	The situation round the crossroads has been improved with 'Keep Clear' signs and white lines on the road round the corners. There is no solution to parking outside of houses in Front Street	Parish/County Council/Police	G
Eliminate danger spots at crossroads, main street and Cassop school	Liaise with Police and Durham County Council	Speed Visors installed Speed bumps and chicanes installed Community Speedwatch now takes place.	Parish/County Council/Police	G
Crime and Community Safety				
More community policing	Make contact with police and encourage/seek a dedicated resource to patrol with a focus on the front street	Regular PACT meetings arranged by the Police are held between residents and the Police.	Parish Council/Police	G
Set up a Neighbourhood Watch Scheme throughout the village	Organise & publicise a community meeting. Set up Neighbourhood Watch Scheme. Advertise and encourage through newsletter.	Neighbourhood Watch Scheme covering part of the village has been set up.	Parish Council/Partnership	A

Planned action 2005	How it will be tackled	Action needed or taken	Responsibility	Overall Progress
Health and Social Care				
Improve access to adequate healthcare facilities: Doctors surgery Dentist Clinic Chemist	Discussions with Primary Care Trust, Coxhoe Medical Practice	Plans for new Medical Practice are in progress but delayed till next year	Parish Council / Quarrington Hill Working Group	R
Public Services				
Improve quality of bus services	Meeting with County Council and bus operators to provide a more appropriate service	Support from other Parish Councils but no progress with Arriva.	Parish/County Council/Bus Operators	R
To provide additional shopping facilities in the village	Meet with County Council Planning Dept. and encourage additional housing development in the village which would increase the number of consumers.	Parish Council has lobbied for housing development with MP and planners. Securing additional shopping is considered to be remote in current economic climate.	Parish/County Council	A
To provide better Post Office provision.	Arrange meeting with the post office owner and discuss questionnaire data with a view to extending the opening hours	Due to the current operating position of The Post office it is a positive result to have a post office in such a small village that opens some times	Parish Council/Partnership	A
Environment				
Improve problems with animal fouling	Publicise leaflets and identify health risks in newsletters	Dog Dirt bags now available and position has improved	Parish Council/Partnership	G
	Penalties and dog wardens	Early morning patrols for dog wardens have been carried out	Parish Council/Partnership	A
	Provide more dog bins strategically placed – not plastic?	More dog bins installed e.g. playing fields and Crowtree's Nature Reserve. County Council providing more vandal proof bins	County Council	G

Planned action 2005	How it will be tackled	Action needed or taken	Responsibility	Overall Progress
Reducing litter and improving cleanliness	Publicity Litter pick day More bins located in key areas Increase visits by street cleaners / bin emptiers, remove chewing gum.	More litter bins installed (County Council more vandal proof ones) e.g. playing fields and Crowtrees Nature Reserve	County Council	A
Increase frequency of grass cutting / quality of grass cutting	Liaise with County Council to improve provision	Grass cutting has improved. Still a problem with cut grass not being picked up by machines.	County Council	A
Circulate information about wild flowers of special interest at Quarrington Hill churchyard	Catalogue flowers and advertise on Coxhoe Parish Council website	Crowtrees Heritage Group has placed an Interpretation Panel in the Churchyard with detailed illustrations of the birds, flora and fauna	Crowtree Heritage Group	G
Provide green wheelie bins in Quarrington Hill	Request County Council to extend the scheme to Quarrington Hill	Wheelie Bin Scheme extended	Parish/County Council	G
Provide a more green and floral aspect to villages – flower beds, baskets, trees	Identify appropriate locations Seek approvals Determine funding sources Seek involvement with Village in Bloom	Planting undertaken funded originally by Partnership and Parish Council now provide flower beds planting and Maintenance. Parish councillors tasked with providing details of new potential locations	Partnership	G
Regenerate the Front Street	Advertise the imminent approach of the Parish Council regarding improvement of properties Write to owners of properties and ask them to improve properties Walk the streets	New Housing granted planning permission. Parish Council provide summer hanging baskets. Christmas tree provided. No progress on property improvement.	Parish/County Council	A
Provide more public seating in the villages	Request via village newsletters for possible / preferred locations	New seats have been provided in nature reserve and are well used.	Parish/County Council	G
Improve entry signs to villages	Through SRB 6	Entry signs installed	Parish Council/Partnership	G

Planned action 2005	How it will be tackled	Action needed or taken	Responsibility	Overall Progress
Make people aware of the varied sizes of green recycling boxes (with lids) available	Liaise with County Council to circulate leaflets or utilise community newsletters	Publicised in Quarrington Hill News	Parish/County Council	G
To eliminate concerns from neighbouring communities of the impact of the Refuse Tip – Flies, Smell, Rats, Road cleanliness	<p>Write to Premier Waste and ask what current measures they take to address these issues</p> <p>Find out if there are any natural ways to attract birds which eat flies.</p> <p>Publicise Liaison meetings.</p>	Liaison with landfill operators has led to significant reductions in the incidences and complaints. The Premier Waste Liaison Group, in which local residents participate, has addressed the problems; with the fly problem being pretty well eliminated to extent when complaint arises it is possible to assess whether it even originates from tip; hawk used intermittently to deal with other birds; diversion of lorries through QH to and from tip had several benefits; Front Street safer without lorries, particularly for crossing road, noise levels reduced, smells from loads gone, air cleaner and quality of life improved.	Parish Council/Partnership	G
Improve the streetscape of village thoroughfares Footpath improvements Better street cleaning Additional floral / seating areas	<p>Introduction of an architect with overall plan for the villages</p> <p>Explore avenues of funding (traffic corridors)</p> <p>Arrange visits to upgraded villages</p> <p>Arrange visits to upgraded villages</p>		Parish/County Council/Partnership	R
Young People				
Development of a consultation system with Young People	Representatives of Parish Council to meet with groups of young people at Quarrington Hill Youth Club 3 times per year to discuss their needs.	Delay in setting up youth club due to lack of qualified youth workers. Youth Club now set up and Level 1 and Level 3 Youth Workers in place.	Parish/County Council/Partnership	A
Development of activities for young people	Form a Residents Group Meet with representatives from organisations who can develop activities and ask for a Detached Youth Worker to assist	A variety of activities now take place – Christmas parties, Halloween etc.	Village Partnership	G

Planned action 2005	How it will be tackled	Action needed or taken	Responsibility	Overall Progress
Encourage use of Youth Club	Meet and discuss with existing Youth Club Committee any problems and attempt to resolve them.	Youth Club well established and running weekly and well	Village Partnership/DCC Note: The Youth Club was established and was running with 30 members. Unfortunately due to a lack of a youth worker it is currently discontinued. Partnership is pursuing this with DCC.	A
	If necessary, make funding application to employ youth workers.	Two Youth Workers now employed		A
	Improve equipment/activities in the club in cooperation with young people	Activities provided on an ongoing basis, including rock climbing course, seasonal parties etc. Equipment provided through funding, e.g. table tennis		G
	Involve young people in fundraising activities and make funding applications	Youth Opportunity Funding received through Youth Workers and Partnership for equipment and activities and running costs		G
Develop Outdoor play facilities in the village	Form a sub- group of Residents Group and work with volunteer parents/ children	Funding for stage 1 now in place, installation now expected Spring 2011	Partnership/DCC	A
Housing				
To provide additional housing in Quarrington Hill	Parish Council to meet with County Council Planning Dept. to emphasise the importance of further development in Quarrington Hill in line with people's preferences for types of housing.	Parish has regularly raised housing development issues as part of Durham County Plan, SHLAA and settlement Study.	Parish/County Council	G
Education and Training				
To examine the possibility of using Cassop school for community activities	Arrange meeting between Parish Council, QH Working Group and Cassop school.	No progress	Parish/County Council/Partnership	R
To look at the possibility of the provision of nursery education at Cassop school	To meet with Governors of Cassop school with a view to a request to the L.E.A. to provide a nursery.	No progress	Parish/County Council/Partnership	R
Community Information				
Set up a Community Website	Already set up	Already set up. Parish website now also acts as a community web site.	Parish Council/Partnership	G

Planned action 2005	How it will be tackled	Action needed or taken	Responsibility	Overall Progress
To have the Durham Advertiser distributed in Quarrington Hill	Parish Council to contact Durham Advertiser when QH Working Group has decided the best way of distribution.		Parish Council/Durham Advertiser	R
Establishing a Community Newsletter in Quarrington Hill	Set up meeting between QH Working Group, Parish Council and representatives from SRB6	Quarterly village newsletter 'Quarrington Hill Village News' produced and circulated. Produced by Partnership, funded by Parish Council.	Village Partnership/Parish Council	G
Employment				
To provide better information regarding jobs and training	Parish Council to meet with Employment Agency	No Progress	Parish Council/Employment Agency	R
Sport, Leisure and Culture				
Confirm latest information regarding funding from SRB6 and the new Flourishing Communities Fund	Arrange meeting with the Manager or equivalent of SRB6	Funding sources identified do not now exist. Unable to address.	Village Partnership	G
Develop play facilities for young people	Confirm criteria and timescale for funding application recently received through SRB6	Application was submitted. Some funding received from Durham City and County Councils would have included SRB funds.	Village Partnership	G
	Form residents / Action Group to include individual residents, representatives of Community Centre, youth groups and any other organisations in the village.	Quarrington Hill Village Partnership formed. They have worked with young people developing plans.		G
	Develop plans and raise funds for outdoor play area/s	Funding for stage 1 now in place, installation now expected Spring 2011		A
Develop activities at Community Centre	Discuss with Community Centre Committee and consult with residents of village via newsletter/meeting.	Article included in Quarrington Hill village newsletter . New Community centre Management Team establish to sustain Community centre which is developing further activities	Village Partnership	G

Planned action 2005	How it will be tackled	Action needed or taken	Responsibility	Overall Progress
Develop ways of informing the public about activities in the village & how to get involved in them.	Introduction of Quarterly Village Newsletter through QH Working/Residents Groups	Newsletter established and sustained funded by Parish Council	Village Partnership/Parish Council	G
Development of Heritage Cycling/Walking Trail	Support work involved in the project and publicise project	Heritage Walk completed and leaflets are available. Limestone LinX Cycle and Walk Ways Project has progressed. Stages 1,2 and 3 completed. Stage 4 in progress Stage 5 funding needed	Quarrington Hill Community Centre/Crowtrees Heritage Group	G
